WELCOME REMARKS

Dear representatives of the German Canoe Federation,
dear members of Kanu-Sportfreunde Köln,

We are delighted that the 71st German Championships in Wildwater Racing will be held in our market town of Obervellach and in the Möll Valley region. It is a great honour for us to host this event with its long-standing tradition.

Wildwater racing has been closely associated with the Möll Valley for decades and is well known far beyond Austria's borders. Not least thanks to the International Wildwater Weeks, our region has established itself as a venue for top-level competitions and as a popular destination for canoeists. With its impressive natural scenery and challenging courses, the River Möll provides ideal conditions for exciting racing.

We are delighted to warmly welcome all of you – athletes, team staff, as well as your families, friends and fans – to Obervellach. I wish you an enjoyable and memorable time in our region, fair and exciting competitions, and many unforgettable experiences in the Möll Valley.

With sporting regards,

Arnold Klammer
Mayor of the Market Town of Obervellach

***“WILDWATER RACING HAS BEEN
CLOSELY ASSOCIATED WITH THE
MÖLL VALLEY FOR DECADES AND
IS WELL KNOWN FAR BEYOND
AUSTRIA'S BORDERS.”***

Dear athletes,
dear guests and friends of canoeing,

As Mayor of the Municipality of Reibeck, I am particularly delighted that the 71st German Championships in Wildwater Racing will also bring our municipality and the Möll Valley together as part of the host region.

Major sporting events are not defined solely by their competition venues or the performances of the athletes. Above all, they are made possible by people whose enthusiasm, personal commitment and dedication bring such an event to life. A wonderful example is Elke and Richard Wagner and their family, who live in Reibeck and first established contact with Kanu-Sportfreunde Köln back in 2006, playing a key role in the organisation ever since. This connection ultimately gave rise to the idea of bringing the German Championships to our region. I would like to express my sincere thanks to the Wagner family and to everyone involved in organising the event.

As the Municipality of Reibeck, we are proud to be part of this event and to have the opportunity to showcase our home region. Our community stands for a strong sense of togetherness, a close connection with nature, and people who are always willing to get involved. An international sporting event such as this provides a wonderful opportunity to share these qualities with our guests.

I hope that, alongside the sporting challenges, you will also find time to discover Reibeck and the Möll Valley beyond the race course. Enjoy the landscape, the hospitality and the special encounters that events like this make possible.

I wish all athletes every success, fair competition and, above all, a safe event. To all team staff, families, friends and fans, I wish you an enjoyable stay and many wonderful memories of our region.

A warm welcome to Reibeck – and all the very best for the German Championships!

With sporting regards,

Ing. Stefan Schupfer
Mayor of the Municipality of Reibeck

***“AS THE MUNICIPALITY OF REISSECK,
WE ARE PROUD TO BE PART OF
THIS EVENT AND TO HAVE THE
OPPORTUNITY TO SHOWCASE OUR
HOME REGION.”***

Bulletin 2

Dear wildwater athletes,
dear guests,

In Carinthia, water is far more than just an element – it is a lifeline, a source of energy and a stage for outstanding sporting performances. When around 450 athletes from nine nations take on the forces of nature and navigate the rapids in their canoes, the unique energy and dynamism of our region can truly be felt.

It fills me with pride that Obervellach and Reißbeck are once again hosting the German Championships in Wildwater Racing. This choice underlines Carinthia's reputation as a top destination for international elite sport and as a welcoming host for teams, coaches and fans from around the world.

My special thanks go to the organising team of Kanu-Sportfreunde Köln, led by Martin Koebe, as well as to all the volunteers and supporters. Each and every one of you is a valuable ambassador for Carinthia as a destination for both sport and tourism.

I wish all participants exciting and safe competitions and many unforgettable moments amid the spectacular natural scenery of Carinthia!

With best regards,

Ing. Daniel Fellner
Governor of Carinthia and Minister for Sport

***“IN CARINTHIA, WATER IS FAR
MORE THAN JUST AN ELEMENT –
IT IS A LIFELINE, A SOURCE
OF ENERGY AND A STAGE FOR
OUTSTANDING SPORTING
PERFORMANCES.”***

Dear athletes, club representatives and spectators,

It is a great pleasure for me, as Mayor of the City of Cologne, to welcome you to the 71st German Championships in Wildwater Racing.

From 17 to 19 September 2026, Germany's leading wildwater athletes will gather in Austria's Möll Valley to compete for the German Championship titles. Set against the spectacular backdrop of the Alps, the race courses on the River Möll in Obervellach and Reißbeck provide ideal conditions for top-level wildwater racing.

As part of the German Championships, one of the eight sprint races of the ECA Cup will also be held on the River Möll this year. This adds an international dimension to the event and offers athletes and spectators alike the opportunity for sporting encounters and exchange across national borders.

My sincere thanks go to the German Canoe Federation and Kanu-Sportfreunde Köln for organising these Championships. With tremendous voluntary commitment, organisational expertise and great passion, they create the conditions for the competitions to run smoothly. Kanu-Sportfreunde Köln also exemplify a long tradition of dedicated club work, successful youth development and the power of sport to bring people together far beyond competition.

Sporting events such as this demonstrate in an impressive way how sport brings people together, strengthens communities and promotes values such as fairness, respect and team spirit. In doing so, they make an important contribution to a vibrant and diverse society.

For the 71st German Championships, I wish all athletes every success and fair and safe competitions, and all spectators exciting and unforgettable days of racing.

With best regards,

Torsten Burmester
Mayor of the City of Cologne

“SPORTING EVENTS SUCH AS THIS DEMONSTRATE IN AN IMPRESSIVE WAY HOW SPORT BRINGS PEOPLE TOGETHER, STRENGTHENS COMMUNITIES AND PROMOTES VALUES SUCH AS FAIRNESS, RESPECT AND TEAM SPIRIT.”

Ladies and Gentlemen, dear friends of canoeing,

A warm welcome to the German Championships in Wildwater Racing in Obervellach and Reißbeck, Carinthia. As State Secretary for Sport and Volunteering, I am delighted that the team of Kanu-Sportfreunde Köln 1955/22 has taken on the organisation of these Championships for the 10th time, and that so many athletes have accepted the invitation to compete.

I would particularly like to welcome our international guests who will be competing in the senior-class sprint races, as these races form part of the ECA Cup.

I would like to thank everyone responsible for their outstanding commitment to organising this event. My thanks also go to all sponsors and partners, as well as to the many volunteers whose dedication makes a sporting event like this possible.

I wish the organisers every success, the athletes the very best in their competitions, and all spectators exciting and memorable races.

With best regards,

Andrea Milz

State Secretary for Sport and Volunteering
of the State of North Rhine-Westphalia

Bulletin 2

Dear athletes, coaches,
dear organising team and fans of wildwater racing,

I am delighted that the 71st German Championships in Wildwater Racing will take place on the River Möll in Obervellach and Reißbeck from 17 to 19 September 2026.

As a challenging wildwater course, the River Möll provides ideal conditions for top-level canoe racing. The fact that the senior-class sprint races are also part of the international ECA Cup gives the event additional significance and creates opportunities for sporting encounters across national borders.

The German Championships bring together the best athletes in our country to compete in exciting and fair races. The daily work, commitment and passion you invest in our sport deserve the highest recognition. Wildwater racing combines outstanding physical performance with technical skill, tactical ability and mental strength. These exceptional qualities are demonstrated in every race and are what make our sport so fascinating. You are the ones who keep canoeing in Germany vibrant and successful.

My sincere thanks go to the organising team and all local partners for their tremendous effort and commitment in preparing these Championships. I would also like to thank the coaches, families, friends and the many volunteers whose support makes an event like this possible. Without this wide-ranging commitment, Championships such as these could not take place.

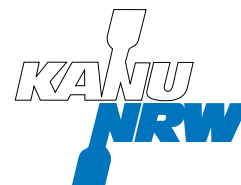

I wish all participants every success, fair competitions and many unforgettable moments on the water. May you all take to the start line with joy, courage and sportsmanship – and achieve your personal goals!

DEUTSCHER KANU-VERBAND E.V

Dajana Pefestorff
President

Dear athletes, coaches and club representatives,
dear guests and spectators,

It is with great pleasure that I welcome you to the 71st German Championships in Wildwater Racing, taking place on the River Möll in Obervellach and Reißbeck, Carinthia, from 17 to 19 September 2026.

Year after year, the German Championships are the sporting highlight of the national wildwater racing season. They bring together the best athletes in our country while also providing an opportunity to showcase the fascination of this demanding discipline to a wider public. The fact that the KSK-Team is organising the German Championships for the tenth time is impressive testimony to the many years of expertise, passion and reliability demonstrated by everyone involved.

A particular attraction of these Championships is their international dimension. The senior-class sprint races are also part of the ECA Wildwater Sprint Cup, bringing athletes from various European nations to the River Möll. This not only creates top-level and exciting racing, but also valuable encounters across national borders that bring the European spirit of sport to life.

My sincere thanks go to the entire KSK organising team, whose tremendous voluntary commitment makes the preparation and staging of this event possible. On behalf of the many volunteers, I would like to thank everyone working both behind the scenes and on the course to ensure that everything runs smoothly – from course preparation and safety to competition organisation and the opening and closing ceremonies. Your dedication deserves the highest recognition.

I would also like to thank the municipalities of Obervellach and Reißbeck, the tourism association and Hohe Tauern National Park for their support. They make an important contribution to enabling these Championships to take place in one of Europe's most impressive wildwater landscapes.

For decades, the River Möll has been synonymous with outstanding wildwater sport. At the same time, it demonstrates how important it is to treat our natural waterways responsibly. I am therefore particularly pleased that these Championships provide an opportunity to highlight the special importance of such natural sporting venues and to experience their unique character first-hand.

I wish all athletes fair competitions, ideal conditions and the success they deserve after their intensive preparation. To all spectators, I wish exciting races, outstanding sporting performances and unforgettable days on the River Möll.

With best wishes for a successful and memorable 71st German Championships in Wildwater Racing 2026.

Thomas Reineck
Kanu-Verband Nordrhein-Westfalen e.V.

***“THIS NOT ONLY CREATES TOP-LEVEL AND
EXCITING RACING, BUT ALSO VALUABLE
ENCOUNTERS ACROSS NATIONAL BORDERS
THAT BRING THE EUROPEAN SPIRIT OF
SPORT TO LIFE.”***

Dear wildwater racers,

The KSK-Team warmly welcomes all athletes, team staff and supporters to the River Möll – both on and off the water.

This is the tenth time that the KSK-Team has hosted the German Championships, making this event something special for us as well. Far away from our home training waters on the River Rhine, we have brought all our equipment to the beautiful Möll Valley to stage these Championships.

Our sincere thanks go to the municipalities of Obervellach and Reißbeck, the tourism association and Hohe Tauern National Park. They have not only provided financial support, but have also helped establish the valuable contacts with authorities, local clubs and the many volunteers that have made this event possible.

The foundations for bringing the German Championships in Wildwater Racing to this region were laid many years ago by Elke and Richard Wagner, who have made the Möll Valley their second home. Our heartfelt thanks to both of them for their tremendous commitment – to canoeing and to the Möll Valley.

A very special thank you also goes to all the volunteers from the KSK-Team who have worked tirelessly over the past days and months to make these 71st German Championships a truly special event.

I wish everyone a wonderful time in the Möll Valley, exciting and fair races, and, for us as the host club, a smooth and successful event.

With sporting regards,

Martin Koebe
Chairman
KSK-Team Köln e. V.

1. INTRODUCTION

The German Championships (Deutsche Meisterschaften) in Wildwater Racing 2026 will take place in the Möll Valley (Mölltal), Carinthia, Austria, on the River Möll, across the municipalities of Obervellach and Reißbeck. The River Möll is a natural alpine river originating near the Grossglockner and offers high-quality conditions for elite wildwater competition in an outstanding mountain setting.

As part of the German Championships, the Paddle Europe Wildwater Cup Sprint (PEU Cup), a competition of the European Canoe Association (ECA), will also take place. Integrated into the 2026 Championships on the Möll River, the PEU Cup Sprint adds an international dimension and extra excitement to the event – for athletes, spectators and partners alike.

6. ENTRIES, FEES AND ACCREDITATION

Entry Procedure

- The entry form is available to download as an Excel file. The fees are listed on the form.
- Entries for DM 2026 and the PEU Cup Sprint should be submitted using the entry form by email to:
rennen@ksk-team.de

[Download registration form](#)

Late Entry Deadline

- 15 September 2026, 20:00 – German Canoe Wildwater Racing Championships 2026 and PEU Cup Sprint 2026

Accreditation / Race Bib Collection

16 September, Camping Obervellach, 11:00
(after the Team Leaders' Meeting)

7. COMPETITION RULES, EQUIPMENT AND ATHLETE REQUIREMENTS

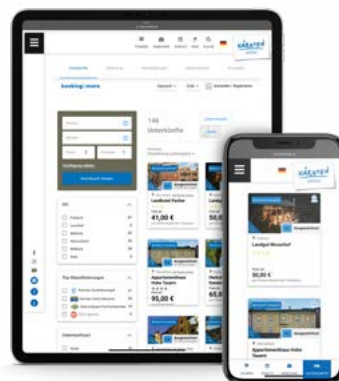

- The competitions are governed by the DKV competition rules for wildwater canoe racing and the PEU Cup rules.
- The required equipment, information on boat control, race numbers (on both sides at the front of the boat), and further safety requirements will be announced at the Team Leaders' Meeting.

8. ACCOMMODATION AND TOURISM

Accommodation information is available through the regional tourism portal of the Möll Valley in Carinthia. Participants are recommended to book accommodation in Obervellach, Reißbeck or the surrounding villages and communities (Penk, Teuchl, Napplach, Polan and Kolbnitz).

Further information is available at:

- www.dm2026-moell.de
- www.visitmoelltal.at

9. PARKING AND TOILETS

Classic River Access – Stallhofen

1 Course Map

- Stallhofen 70, 9821 Obervellach
- 1 toilet

Finish + Start – Penk

5 Course Map

- Federal Road B106, by the old fire station
- Entrance opposite Mölltalstraße 22, 9816 Penk
- 2 toilets

Sprint + Classic Finish – Kolbnitz

7 Course Map

- In front of the sports field, Tratten 37, 9815 Reißbeck
- 1 toilet

Important: All athletes must exit the river here. Do not continue into the lake. Please watch out for anglers!

10. SAFETY, MEDICAL SERVICES AND EMERGENCIES

A comprehensive safety plan (water safety, rescue services, medical support and emergency procedures) will be issued prior to the event. Until then, participants should be aware of the following conditions:

- Natural mountain river conditions, including cold water, strong currents and potentially fluctuating water levels.
- Safety briefings are mandatory for Team Leaders and athletes.
- The section of the course from Obervellach to Penk is supervised by clubs both on the water and on land. From Penk to Kolbnitz, the LK race course is supervised by the Austrian Water Rescue Service (Kärnten Regional Association)
- The competition schedule and/or race courses may be modified, suspended or cancelled if conditions require.
- The current water level of the River Möll and the provisional training times will be available on the event website www.dm2026-moell.de. The local hydropower plant operator has confirmed that a consistent water level will be maintained during the competitions.

11. EVENT COMMUNICATION AND RESULTS

Up-to-date event information will be published on the event website www.dm2026-moell.de and via the WhatsApp group “MÖLL, AUT – PEU Sprint”. Official results will be posted in the respective finish areas.

Live results will be made available to all teams and the public in due time.

12. MEDIEN, FOTO- UND VIDEOAUFNAHMEN

During the event, photographs and video recordings will be taken by the Organizer, the Local Organizing Committee, and accredited media representatives. The recordings may be used for event coverage and public relations purposes in print media, on websites, social media platforms and other communication channels.

By participating in or attending the event, athletes, team staff, and spectators agree to the taking and royalty-free publication of such photographs and recordings in accordance with applicable legal requirements, without the need for separate individual consent.

Information regarding data protection and the privacy policy is available at: www.dm2026-moell.de/datenschutzerklaerung

13. PARTNERS AND SPONSORS

Our partners and sponsors share and support our passion for canoe wildwater racing and our commitment to developing the next generation of athletes in North Rhine-Westphalia, Germany's leading sports region.

They are trusted partners whose support helps make this event possible and contributes to the continued growth of our sport.
